<b>TITLE:</b>	AlphaNET version 2.0 software installation
<b>ECO REFERENCE:</b>	N/A
<b>PRODUCT(S) AFFECTED:</b>	AlphaNET version 2.0 software
<b>SUMMARY:</b>	For some Windows® operating systems, AlphaNET version 2.0 software can be installed by someone without Administrator privileges.

For some Windows® operating systems, someone with Administrator privileges must install AlphaNET version 2.0 software. Otherwise, the InstallShield software will prevent the AlphaNET software from being installed.

Operating system	Must be installed by someone with Administrator privileges?
Windows® 95, 95, ME, XP (see NOTE)	No
Windows® NT, 2000	Yes
<p>NOTE:</p> <p>Someone without Administrator privileges can install AlphaNET version 2.0 software on a computer using Windows® XP. However, a non-Administrator will <u>not</u> be able to install the Adobe Acrobat Reader and Paint Shop Pro software that is included with the AlphaNET software. <i>Therefore, Adaptive recommends that <u>someone with Administrator privileges</u> install the AlphaNET software (along with the Adobe Acrobat Reader and Paint Shop Pro software) on a computer using Windows® XP.</i></p>
